

CERTIFICATE OF COMPLIANCE

Customer Part No. QS3952GL

Part Description: Longer Life Gold Coated 5 MHz Quartz Monitor Crystals.

Vendor Part No. QS3952GL

Quantity Inspected: pcs (100%)

It is hereby certified that all articles in the quantities as indicated above are in compliance with the following specifications.

Frequency: 4.990-5.002 MHz
Activity: Less than 15 Ohms measured at resonance
Contact Resistance: Less than 15 Ohms center to edge
Diameter: 0.490+.000,-.002"
Angle of Cut: 35 degrees 15+/-3 minutes
Contour: Plano-Convex, 3+/-0.5 diopter curvature
Surface Roughness: Better than 10 microns rms
Contact Composition: 99.99+% pure Gold Proprietary Process/Chromium
Packaging: 100% Virgin PETG, Pharmaceutical Grade,
recyclable plastic.

Signature: _____
